NOTES

My favorite musicians tend to be the precise, assertive types: the way Steward Copeland attacked, and was always slightly ahead of the beat; Miles Davis punching holes in the air with few notes and the conscious spaces between them just as important; in both of their cases, nothing superfluous, and everything done with the lightness of a stone skipping across a pond. Cool-climate vineyards enable us to make Chardonnay that shares these qualities. The Thirty-Five Sweet Goodbyes is defined by an ethereally perfumed lightness, and razor precision that makes us salivate; the anthesis of, you know, that other kind of Chardonnay.

Food: Peanuts (roasted & salted) // Cheese Fondue // A ham, butter, and arugula sandwich on a crisp baguette // Any type of well-prepared oily fish // or my favorite, a million \$\$ hamburger

Music: Most any version of Bye Bye Blackbird...Miles Davis \ Joe Cocker \ Keith Jarrett \ John Coltrane \ Peggy Lee
