NOTES

I'll be honest that making rosé was an idea, which despite Johnny Parker's years of urging, I simply rejected. Because, who would take it seriously? Of course, I fell in love as soon as we started in 2010, and the rest is history. 2021 Amour Fou (aka l'étrange canard) is an exercise in opposites, 2020 Amour Fou is pandoramicly aromatic (which is to say we're not even gonna try to find the thousand words needed to describe this heady beverage's wild fragrance profile) but comes across with the confidence of a calm morning lake once it enters your mouth...smooth devil! Easily mistaken for a lively red wine if blindfolded at room temperature (and quite lovely that way), a medium chill brings out Amour Fou's personality and full spectrum of (food-)versatility.
