

2022 DELPHIA

FIVE WELLS VINEYARD, SONOMA COAST

TASTING NOTES

Fragrance All the tropical fruits, lilies & lilacs, cool rain on hot tarmac.
Presence Luxurious. Dense. Racy.
Energy Electric. Focused.

THE VINTAGE

A winter with above average rainfall was followed by variable Spring weather that produced small, open, loose clusters, and a small crop. Persistent winds stretched the growing season, resulting in a balance of saturated ripeness with laser beam acidity. The barrels that make up 2022 Delphia are early press lots from the block's higher elevations that retain the raciest acidity, and which developed a lovely reductive frame in stainless steel.
