

## STA. RITA HILLS, 2022

### TASTING NOTES

- Fragrance A million flowers unfolding, north-African spice market, pear orchard, the sea.
- Energy A stone skipping across a calm body of water.

### THE VINTAGE

Following a second winter with plenty of rain, the Sta. Rita Hills enjoyed a warm Spring that provided the vines with vibrant energy to move through a fairly ideal growing season. All Chardonnay was already in the winery before the year's Labor Day heat wave and subsequent rain...*nice!*
